

Martin A. Ciesielski

Keynote Speaker ● ***Business Jester***

www.business-jester.com

Charming. Provocative.

Social Prototyping.

Developing succesful start up and innovation teams

Open Leadership.

The leader's attitude as a corporate storyteller

Angewandte Improvisation.

Playful serenity and spontaneity in business

„I like to call myself a
business jester, an inspiring
relationship benefactor with subtle humor.
It is about the relationships between me,
the audience and the topic.
But also between me and the
light and sound engineers.“

Martin A. Ciesielski in Numbers.

1974

Date of birth
